In re the Application of

Lanier et al.

Application No.: 10/054,850

Filed: January 25, 2002

For: PROCESS AND SYSTEM TO REDUCE MERCURY EMISSION

REQUEST FOR REFUND TO DEPOSIT ACCOUNT

Assistant Commissioner for Patents

Box 16

Washington, D. C. 20231

Sir:

In response to a January 31, 2002 MONTHLY STATEMENT OF DEPOSIT ACCOUNT (copy attached) from the General Accounting Branch, it is respectfully requested that the amount of \$939 be refunded to Deposit Account Number 500917 in the name of Philip D. Freedman, PC for the following reasons:

In a January 25, 2002 communication (copy attached), authorization was given to charge the filing fee in the above-identified case in the amount of \$914 to Deposit Account No. 070849. The communication authorized any deficiency to be charged to Deposit Account No. 500917.

Instead, as shown by the January 25, 2002 MONTHLY STATEMENT OF DEPOSIT ACCOUNT, the filing fee was incorrectly charged to Deposit Account No. 500917.

Additionally, a service charge in the amount of \$25 was applied to Deposit Account No. 500917, apparently in respect of a balance deficiency caused by the incorrect filing fee charge.

Accordingly, it is respectfully requested that the amount of \$939 in respect of the deposit fee and the deficiency charge be refunded to Deposit Account No. 500917 and that the Patent Office acknowledge this refund in writing to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Philip D. Freedman', written over a horizontal line.
